- The daily course rotation given must be followed at all times. This is to ensure all members & guests have a great experience while playing at Geneva.
- 5-somes are only permitted with golf shop approval and only 2 Geneva carts are allowed per group.
- Dogs are strictly forbidden on the golf course and from riding in golf carts. Please utilize other areas nearby to exercise and spend time with your companion.
- Bringing alcohol to our facility is strictly prohibited and against the law. We do understand that we may not always have a selection that you desire, please let us know and we will do our best to stock items that suit your needs.

- Golf carts are not allowed on or near tee boxes.
- Avoid all standing water in the fairway and rough when conditions are wet (early morning or following rain).
